## MARINE

The transport Sherman, from Nagasaki and Manila, arrived late yesterday, not reaching the dock till nearly seven o'clock. She sails for San Francisco at 5 p. m. today. A most unpleasant passage was experienced by those on board and the army vessel bucked heavy seas and head winds all the way across, which delayed her for nearly twenty-four hours.

The Sherman when she came in last night had every stateroom filled with passengers and it looked as if there was going to be a good deal of trouble in providing for the Congressional party. The matter was arranged by placing a number of the army officers on board in the dormitory, which is used for the second-class passengers, and the Congressmen will receive the best accommodations which the ship affords.

The one thing which the Sherman's officers were anxious about when they came in was to find out whether they could have their laundry attended to while they were here. They had heard that the laundry strike in San Francisco had prevented the ships coming here from getting their work done, and they were very anxious that they should have every bit of linen on the ship in good condition when they leave this port.

Brigadier-General A. C. Markley is the ranking officer on board the transport and is accompanied by Mrs. Markley. He has been retired and is returning home on orders. Mrs. C. W. Otwell, the wife of Capt. Otwell, the local officer of the U. S. A. Engineer Corps, arrived on the Sherman, with her two children.

## MONGOLIA IN LATE.

The Pacific Mail steamer Mongolia, which was expected early yesterday morning, did not arrive till nearly 2 o'clock yesterday afternoon. She ran into heavy fogs as she was leaving San Francisco and they stayed with her the greater part of the way down from the Coast. She brought the mail which should have arrived the day before on the Sierra, having 353 sacks for Honolulu and 29 for Australia, which will be forwarded on the Maheno from this city.

The Mongolia has a small cargo for her. She carries 5000 tons of through freight, though she had only six tons for this city. A number of Honolulu people of note arrived on the big liner, among the number being B. F. Dillingham, J. D. Tucker, H. T. Moore, L. C. Ables and Fred S. Knight. W. M. Buchanan and his bride also returned from the Coast. The Mongolia sails for the Orient at 10 o'clock this morning.

## MISSOURI ARRIVES.

The Missouri, the big freighter which the American-Hawaiian Co. has recently bought from the Atlantic Transport Co., arrived yesterday afternoon from Seattle. The Missouri, a sister ship of the Virginia, which the American-Hawaiian Co. will put on the passenger run between Honolulu and San Francisco, is a magnificent-looking vessel. She compares most favorably with any ships of her class which have ever come to Honolulu, and, with the changes which are to be made for the accommodation of passengers, the Virginia should be finely fitted for the local run.

Capt. Findley of the Missouri is well known in this city, as he was here only a little less than a year ago as the captain of the Massachusetts, the big freighter which was then under charter by the sugar carrying company.

Capt. Findley will not stay in the service of the American-Hawaiian Co., but will go back to the American Transport people, with whom he has been for many years. The other officers will stay with the vessel.

The Missouri brought only 3000 tons of cargo down from Seattle, the strike of longshoremen in the Northern city causing the freight there to be congested and hard to get on board. The Missouri was loaded in Seattle by non-union men. She tied up at the Channel wharf last night and will discharge her freight from the Sound, then moving to the Railroad wharf, where she will load sugar.

**STORY OF A HATPIN.**

In a neighboring city is a large millinery establishment that makes a specialty of women's trimmed hats at \$5 and \$10. It is cutting largely into the trade of the smaller high-priced dealers. A short time ago a woman of fashion went into the establishment mentioned and tried on several hats, but found none to suit her. Before going out she missed a valuable hatpin. A careful search failed to bring it to light, and its disappearance remained a mystery. A few days later the customer, still looking for a suitable spring hat, visited one of the expensive millinery shops in the city. Among the hats shown to her, none of which was priced lower than \$35, was one that closely resembled one of the hats she had tried on in the \$10 store. She took it up to examine it more closely. As she felt the trimming she noticed that the end of a hatpin was concealed beneath a bunch of artificial flowers. Drawing it out, she discovered it to be her missing hatpin!

Howard Gould's wife who has sued for divorce says Gould "is not fit to live with." The Gould family are trying to bring about a reconciliation to prevent scandalous disclosures.

## PALE, WEAK PEOPLE

MADE STRONG AND ENERGETIC  
BY DR. WILLIAMS' PINK PILLS.

General Breakdown Caused by Deficient Blood Quickly Corrected by This Tonic Remedy.

A feeling of general weakness, poor appetite, loss of breath after the slightest exercise and broken sleep are some of the symptoms of general debility. You may think that they have no relation to each other and that you will worry along, hoping all the time to feel better soon. This is a mistake, for every one of the symptoms is caused by bad blood, which must be made pure and new before health will be restored again. A tonic treatment is necessary and for this purpose there is no better remedy than Dr. Williams' Pink Pills.

Mr. J. G. Havey, of 95 Willow street, Chelsea, Mass., says: "I was sick for a number of years from general debility and indigestion. I was never free from stomach trouble and my nerves were so shattered that the least excitement unfitted me for any serious work. My sleep was restless on account of terrible pains in the small of my back. These pains would sometimes last for a month or two. My sight grew weak, there seeming to be a blur constantly before my eyes. I couldn't concentrate my mind on my work, and the attempt to do so completely exhausted me."

"I was finally forced to give up a position I had held for twenty-eight years. After trying several medicines without help, I read of Dr. Williams' Pink Pills and gave them a trial. They made me feel so much better and so much stronger that I started in business for myself here in Chelsea. I have never had a return of my former sickness and cheerfully recommend Dr. Williams' Pink Pills as an excellent nerve and blood tonic."

Dr. Williams' Pink Pills have long been recognized as an excellent tonic remedy in cases of indigestion and general debility, where the stomach and other organs of the body are weakened and disordered simply through lack of proper nourishment. They have also been especially successful in curing anaemia, rheumatism, after-effects of the grip and fevers.

A pamphlet on "Diseases of the Blood" and a copy of our diet book will be sent free on request to anyone interested.

Dr. Williams' Pink Pills are sold by all druggists, or sent, postpaid, on receipt of price, 50 cents per box, six boxes for \$2.50, by the Dr. Williams Medicine Company, Schenectady, N. Y.
